Re: Fort Hamilton, Brooklyn, NY
Fort Totten, Queens, NY

Dear Mr. Groves:

This is to inform you that the United States Environmental Protection Agency's (EPA) Region 2 office has reviewed the Preliminary Assessments (PA) submitted for your Federal facilities listed on the Federal Agency Hazardous Waste Compliance Docket ("docket").

Specifically, with regard to Fort Hamilton and Fort Totten, we have determined that no further remedial action is required for these facilities at this time. However, this determination is subject to change in the future if additional information becomes available to EPA which warrants a re-evaluation of the facilities.

If you have any questions pertaining to this matter, please contact Ms. Helen Shannon of my staff at (212) 264-6664.

Sincerely yours,

Robert Wing, Chief
Federal Facilities Section
